

Holiday Drawing Wheel

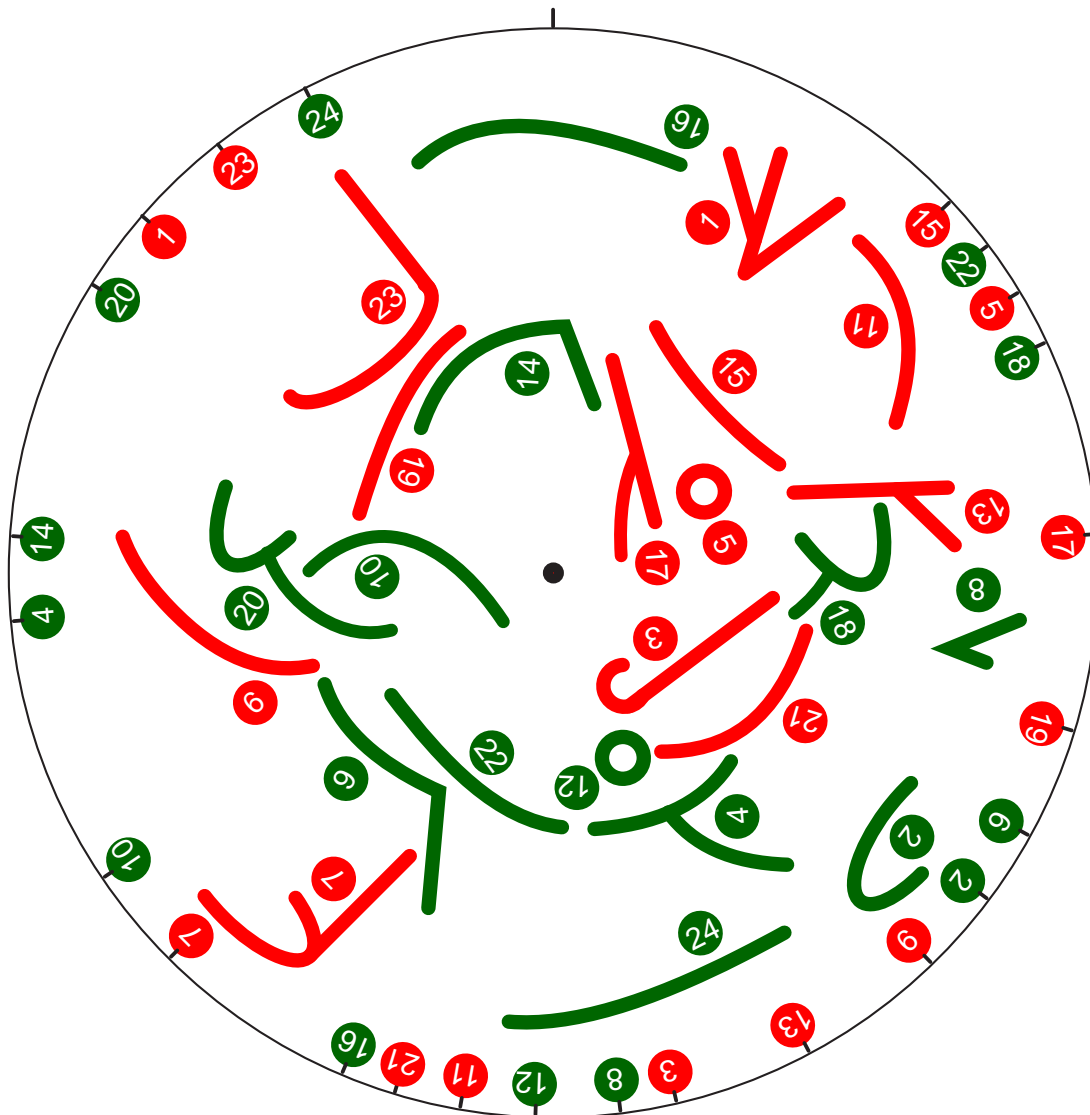

Puzzle of the Month

December 15, 2006

Happy holidays from Pegamoose Games! We present a drawing wheel for some holiday fun.

Start by tracing the center dot and the notch at the top of the wheel onto a separate piece of paper. Now, rotate the drawing wheel until a number on the edge aligns with the traced notch. Find the shape associated with the aligned number and trace the shape. Continue until all shapes have been traced. To help you, evens are in green and odds are in red.

Be one of the first three people to tell us what the picture is for a chance to get your name on the Pegamoose Games Wall of Fame. Send it to info@pegamoosegames.com with the subject "Happy Holidays".
